*Take the Worry
Out of Transporting
Your Wedding Gown*

Before the Event

Many Las Vegas weddings are destination weddings. To avoid the hassle of storing and transporting your bridal gown, bridesmaids dresses, and other fine garments for the wedding party, you may mail items for touch-up cleaning and pressing long before you head for Las Vegas. We'll make sure they are in your room and ready-to-wear at your resort the day you arrive. If desired, you may call us when you arrive and we'll pick up, press, and return items directly to your resort. Same day service is available.

Deal with the Best

A joint venture by two of the nation's leading couture cleaners, Hallak Cleaners of Manhattan and Margaret's Cleaners of Southern California, **theCOUTURECLEANER** services many Las Vegas customers and resorts regularly. With over 100 years of combined experience servicing the finest high fashion garments and couture bridal gowns, we are acutely aware of the sensitive nature of gowns that are entrusted to our care. Our decades of experience with brides, as well as Bridal Salons and Couture Designers, translate into a singular level of service and quality.

Courier Couture Service

After the event and photo shoots are complete, **theCOUTURECLEANER** can collect your gown. We can provide true Museum-Quality archival cleaning and preservation of your gown, which will be shipped directly to you... no need to deal with packing it throughout your travels.

Gown Storage Service

Long or short-term gown storage is now available through **theCOUTURECLEANER**. For a small monthly fee, the gown will be stored in a climate-controlled environment. For a preserved gown, we will check it yearly and refold all of the boxed items to prevent permanent creases.

If desired, we can also store your gown prior to the wedding to prevent damage in a crowded closet or keep it away from “prying eyes.”

Restoration

Occasionally a bride decides that she would like to wear a vintage gown or family heirloom. **theCOUTURECLEANER** partners have been restoring gowns and antique fabric for over 40 years and use proprietary processes that are the most advanced techniques available. There is nothing more gratifying than being able to see the smile on the bride's face when she realizes that she will be able to walk down the aisle in a dress that was once worn by someone dear to her.
